## **LEAVING THE DISTRICT:**

I'm Heather Arick and I've been the Administrative Assistant at the Pulaski Conservation District for the last two years. I've really enjoyed it. I'm leaving because I've accepted a full-time position at another state agency.

I've learned a lot about the roles in conservation and gotten the opportunity to receive guidance and support from a wonderful group of people. I want to thank our Board Chairman, Board of Directors, District Conservationist, District Technician, landowners, and other agency affiliates for making my experience a very positive one. Thank You!
